

# Spring Explicit

• This wall mounted screen is a good alternative to motorised screens. It's a pull-down screen that can be easily mounted on the wall. Both formats: 1, 4:3 and 16:9, are available.

This model is very versatile and it is suitable both for business environment and for the Home Theatre market. Depending on the size, this screen provides a strong, elegant solution in square or octagonal housings. Innovative manual self lock device.

• Gli schermi Wall Screen sono un'alternativa a quelli motorizzati. Sono caratterizzati da un meccanismo di avvolgimento a molla che permette un azionamento manuale dello schermo. Sono disponibili nei formati 4:3 e 16:9 in diverse misure.

Il modello è decisamente versatile e si adatta sia all'utilizzo professionale durante meeting e riunioni, sia all'impiego nel mercato Home Theatre.

L'elegante cassonetto in acciaio è di forma quadrata o ottagonale a seconda della misura considerata.
