

Prodotti “Compatibili” : facciamo chiarezza

Con la definizione generica di compatibili, sono oggi sul mercato miriade di produttori, piccoli, grandi e di ogni nazione.

I toner/cartucce che trattiamo, sono prodotti da aziende con controlli di qualità certificati e testati singolarmente con TEST DI STAMPA finale.

Per questo motivo può stare tranquillo, Lei non verrà mai ingannato sulla qualità dei prodotti che acquista ed il toner sarà sostituito in garanzia in caso di difettosità accertata.
